Dear Parent or Guardian:

This school year your student has the opportunity to participate in sex education provided by the Children's Coalition for Northeast Louisiana to Monroe City Schools' students as part of comprehensive health education. You are welcome to contact the Children's Coalition to preview lessons. Topics include:

- Personal Safety
- Healthy Relationships
- Decision Making
- Cyber Safety
- Sexual Assault
- Sexually Transmitted Infections (STDs)
- Abstinence

The Children's Coalition and Monroe City School System believe parents/guardians are the primary sexuality educators for their child/children. We are committed to partnering with you to provide supplementary resources to support you in this role and to guard the health and safety of all children.

Parents/guardians have the option of waving this opportunity. If this is the case with your child, please fill out the exclusion form below, tear off, and return to your child's principal. Students who are excused will be supervised by school staff in another classroom for the period of instruction.

Sincerely,

Leann Bond
Executive Director, Children's Coalition

Brent Vidrine, EdD
Superintendent, Monroe City Schools

I wish for my child, _____, to be excused from this portion of the sexuality education unit _____.
